Brief Report on Activity: An Online session on “Bibliometric Analysis” was organized by the Research Centre and Aanvikshiki Research Cell of Vivek College of Commerce (Autonomous) was conducted on Saturday, 22nd November 2025 through the Zoom platform, with the objective of introducing participants to advanced research techniques and analytical tools. Dr. Maya Hande welcomed the participants and introduced the resource person, Dr. Mahesh Naik, Assistant Professor (Mathematics) at Mukesh Patel School of Technology Management and Engineering. He delivered an insightful and well-structured session on bibliometric analysis. He explained how bibliometric techniques are used to evaluate research output, measure the impact of publications, and identify emerging trends in various fields of study. He also introduced participants to popular databases and tools used for bibliometric studies, enabling them to understand how to collect and analyze research data effectively. The practical applications of bibliometric analysis in literature review, research gap identification, and academic writing were also discussed in detail.

Prof. Maria Muthukumar proposed formal vote of thanks at the end of the session. Principal Dr. Vijetha Shetty appreciated the efforts of the speaker to make the session hands-on, lively and interactive.
