Organized awareness program on 24<sup>th</sup> July 2023 to start a skill development session for 45 days, including spoken English, digital literacy, interview skills, teamwork, problem-solving, etc., to give placement to final year students in association with **Magic Bus India Foundation**, Goregaon West, branch.

### **TNS India Foundation Campus Orientation Session**

A TNS India Foundation Campus to Corporate Careers session was organized. Students were informed about the module and training scheme, and the registration link was shared with them through the class WhatsApp group.

### **TNS India Foundation Corporate Training**

Around 58 students finally completed the 80-100-hour program, which included Personal effectiveness, Communication Readiness, Career Readiness, and Work Readiness. The training was delivered through offline classes. The students also underwent individual counseling during the program, post-training, pre-placement, and post-placement.

### **Guidance for Competitive Examination**

Organized Competitive Examination guidance to undergraduate and postgraduate students to equip the student for exploring employment opportunities in various Central and State Government sectors & UPSC examination.

The lecture was organized on 22<sup>nd</sup> August 2023, and the resource person for the seminar was Mrs. **Avina Suthar** from the Career Development Centre. Students are informed regarding various competitive exams for various posts available after their degree, like IAS/IPS/ and many more. Dr. Thanga Durai inspired the students to focus more seriously on building a successful career and spoke about competitive potential assessment tests for testing students on their aptitude level.

### **Seminar on MBA the Road Ahead**

The journey to obtaining an MBA degree is undoubtedly a challenging and transformative experience. It equips students with a diverse skill set, enhances their critical thinking abilities, and broadens their horizons. We organized an orientation for students interested in doing an MBA, PGDBM, etc., on 4th December 2023. Students were given mock tests on current affairs to create awareness regarding competitive exam patterns. Students were also taught about time management and linguistics skills.

### **Talk about Personality Branding**

We have organized a talk on “Personality branding for success” by Dr. Arvind Kajakhose, HOD of Central University of Kerala. The lecture was organized on 8<sup>th</sup> December 2023 under our college's Career Guidance & Placement Cell. "At the end of the lecture, the professor asked the students to summarize the lesson's main points.". After that, a questioning session was conducted, and information was given to students preparing for MMS & PGDBM and the method of preparing for the CAT examination.

### Workshop on Career Options After Graduation

organized a workshop on career options after Graduation on 15<sup>th</sup> December 2023 in association with Manoeuvre Education. The seminar was focused on guiding students in planning future higher education and exploring the diversified field of study and ways to make it successful.

### **Study Abroad Seminar**

organized a workshop on Study Abroad seminar on 18<sup>th</sup> December 2023 in association with **IDP Institute for Higher Education**. The seminar was focused on making students aware of various opportunities abroad for further studies. To make aware of aptitude and various competitive exams test. Brief discussion regarding competitive exams such as GATE/GRE/IELT Scholarships and Financial Support available for higher studies

### Seminar on CMA and Other Allied Courses

conducted a Seminar on the CMA course as a career option on 7<sup>th</sup> January 2024 in room no. 21. CA. Rajesh spoke about the CMA course and other career options that are available. He gave an elaborative introduction about the various opportunities and scope in the field of accounts and suggested varied ways and ideas to opt for a career abroad.

### **Placement Camp**

## Placement camp

organized a 2-day placement camp in association with Imarticus Learning Solution. Eclerck, Eviden Technology, and Accenture participated in the camp. Around 60 students attended the two-day placement interview held on 26<sup>th</sup> & 27<sup>th</sup> April 2024, and participants were to come with their Resumes.

On 29<sup>th</sup> April, we organized a one-day placement camp in association with **ICICI Prudential Ltd.** Many of our final-year students participated. Around 25 students attended placement interviews and were given an orientation regarding the skill sets required to face the interview successfully.

### **TNS India Foundation- Placement Camp held at Rizvi college**

TechnoServe, through the Campus to Corporate Careers (C2C) Program, provides transformative workforce readiness skills training for youth to make better career choices and build a strong career path. The program includes placement support through corporate linkages with large and small firms. We aim to tackle the increasing need felt by fresh graduates - to sharpen and improve interview preparedness and make informed career choices after graduation. To empower fresh college graduates with the skills and attitude to enter a competitive workforce, the TechnoServe C2C program offers Employability Training and Youth Empowerment. This year, Rizvi College organized a placement camp in association with TechnoServe and other participating colleges. About 58 students from our college participated in the camp and were selected by various companies.
