## INCREDIBLE INDIA

Incredible means 'Unbelievable' and there is no doubt why India is known as Incredible India. Because India is a unique land of vibrant colour, breathtaking land scape, rich culture and tradition, heritage etc. A country where every place have its unique and glorious history. Every state represents its own culture and tradition. Although India is a country of 29 state but there are 121 language used in this prosperous country. India is one of the rarest country in the world having a full mixture of culture, regions, traditions, diversity in language, food etc.

India is a country 'bustling with life'. Every roads and streets, nook and cranny, there is an essence that can't be misused. Tourist from all over the world have to come in India. However, our Incredible India can be classified in to different region. Starting from northern to southern region Eastern to western region, every region has its own significance. Let start from the northern part which include Jammu and Kashmir. Jammu and Kashmir is also popularly called as 'Paradise On Earth'. A place where the snowy weather can take your breath away. A place which is actually famous for its beautiful and iconic natural scenery. The mountain which are covered with snow. The attire seen in this state are called as

## 8. DLLE PROJECT

CP (Career Project)

## Career Project (CP) DLLE, Mumbai University, 2021-22

- Write the career you like Chartered Accountant
- Qualification necessary for the career  
Commerce graduation with a minimum of 55% aggregate marks or a non-commerce graduate with minimum 60% aggregate marks
- Working Condition Advise accounting, financial statements, audit of various institutions and financial matters. It can be involved in forensic audit, financial planning, corporate finance, etc.
- Estimated earning at the start 3 lakhs to 11 lakhs per annum.  
And after five years 4.5 lakhs to 15 lakhs per annum.
- Preparation needed for the career: (Education, training, advertisement)  
One has to clear three exams namely CPT, IPCC and the final exam. After clearing the IPCC exam, a student has to serve as an intern under a practicing CA for a period of three years before being eligible to appear for the final exam.
- Advantages and disadvantages of the career (Write two points)
  - 1) The main reason people do CA is because you get good package from companies and if you do practice you can earn reputation plus bank balance. There are numerous opportunities across the industry.
  - 2) If you chose employment under CA, you don't get authority of signing power / attesting. you are limited to a particular field or subject area, which dissolves your hard work over complete studies done in your professional course.
